GUARANTEED ASSET PROTECTION

If you get into an accident, insurance may only cover this much.

GAP may cover what your insurance company doesn't.

HOW TO **AVOID** A BLIND SPOT WHEN IT COMES TO **UNEXPECTED EXPENSES**

Unexpected automotive expenses can wreak havoc on your household budget.

Guaranteed Asset Protection (GAP) is a unique program that protects you from the potential financial burden that may result from your vehicle being declared a total loss if your insurance settlement does not cover the full amount of your loan or lease payoff.

GAP may waive the difference between the insurance settlement and the outstanding balance owed on your vehicle as of the date of a total loss. Coverage subject to the terms and conditions of your contract addendum.
